ABOUT LOVE AND LOGIC®

Participants will learn how to put an end to arguing, back talk and begging. Love and Logic® teaches how to set limits without waging war while avoiding power struggles along the way.

Parents will also learn to teach responsibility without losing their child's love while guiding them to solve their own problems.

The Love and Logic® approach is easy to use, raises responsible kids and changes lives.

COST: FREE

Registration is required.

It is recommended that you attend all three sessions, as they build on each other. However, you are welcome to sign up for any days you can attend.
